- Spa Facials** \$65
Relaxing and Rejuvenating
Enjoy relaxing aromatherapy, while aestheticians pamper you with a face steam, followed by a deep-pore cleansing exfoliate, massage, toning, mask, then hydration, and balancing. It's a dream come true for you!

peels

- MicroPeel® (Glycolic Peel)** \$60
Smoother, More Vibrant Skin
For minimal treatment of fine wrinkles, skin dryness, or acne, the Glycolic Peel is the mildest chemical peel formula we use. Series of treatments may be required.
- MicroPeel® Plus (Salicylic Acid)** \$75
Something Stronger
A step-up in strength, MicroPeel® Plus results in more exfoliating of the skin, smoother textured, brighter skin, and marked improvement in acne lesions. This peel is used to treat severe acne or greater damage from sun exposure. Series of treatments may be required.
- TCA Peel** \$220
Medium-Depth Chemical Peel
This medium-depth chemical peel is designed to treat superficial blemishes, skin pigmentation issues, as well as fine and somewhat deeper wrinkles. This peel is preferred for patients with darker skin. Series of treatments may be required.
- TCA Partial Area** \$75 and up
Smaller Scale
This peel offers the same benefits as the TCA Peel in limited areas.
