SKIN DEEP MEDICAL SPA

# fillers

**Botox®** \$12.50 per unit

Virtually eliminates wrinkles in your forehead and around your eyes. Results are almost immediate and last for months!

Eyes, Forehead, Glabella

Lasts 4-6 months

**Evolence®** \$500 per syringe

Dermal filler that replaces collagen you've lost in your face over time with a natural collagen that lasts. The visible, natural results are achieved immediately, with minimal-to-no downtime.

Marionette Lines and Nasolabial Folds

Lasts 6-9 months

**Juvéderm® Ultra Plus** \$550 per syringe

Juvéderm® injectable gel (hyaluronic acid) offers a safe and effective nonsurgical option for temporarily smoothing smile lines and parentheses around your mouth.

Lips, Marionette Lines, and Nasolabial Folds

Lasts 9-12 months

**Prevelle™ Silk** \$200 per syringe

Hyaluronic acid with Lidocaine injection results in soft, natural correction of fine wrinkles and lines, and is ideal to treat areas of the skin that are delicate.

Lips, Marionette Lines, and Nasolabial Folds

Lasts up to 4 months

**Sculptra®** \$1,000 per vial

Poly-L-Lactic Acid injectable treatment is designed to restore fat loss that causes sunken cheeks and hollow-looking eyes, and can also be used on the hands.

Face (except lips) and Hands

Lasts up to 18 months
